

Services Available – To properly analyze your circumstances

1. We carefully interview you regarding your specific experience.
2. By careful questioning we determine where deficiencies may have taken place.
3. We evaluate all your documents with special attention given to disclosures and timing.
4. We carefully examine your closing package, looking for discrepancies and unreported disbursements.
5. We evaluate third party involvement in your transaction.
6. We compare your fact pattern to what a proper transaction would contain.
7. We make a recommendation based on our final fact pattern analysis.

We will issue a formal report summarizing our findings and explaining the deficiencies, if found.

We are then available for consultation with your counsel.

We will provide additional Industry contacts for you if needed.

We are available to appear as your expert witness.

We are available for in person or telephonic appearances.

**WHEREVER POSSIBLE - SERVICES WILL BE PROVIDED as
PRIVILEGED COMMUNICATION.**
